# EMPLOYEE SHOUT OUTS!

We had the pleasure of celebrating two of our amazing staff's anniversaries with #TeamH2O this month!

Aaron has been with us for 9 years, and is a critical member of our team, handling everything from customer service to invoicing to parts & inventory management and service scheduling. He also helps manage our rental fleet and keeps our showroom stocked, ensuring our equipment and products are ready for our customers at all times.

Mike Pauls has been with us for 35 YEARS!! We are blown away!

Mike does so much for our team that we couldn't possibly list it all, but what we can say is how extremely grateful we are for his professionalism, expertise, reliability, and sense of humor.

## THE IMPORTANCE OF HIGH-QUALITY PRESSURE WASHING DETERGENT

If you own a pressure washer, then you know how important it is to use high-quality detergent. Cheap detergent can cause long-term damage to your pressure washer. Pressure washing equipment is an investment in your business, so you want to make sure you're using the best possible detergent to protect your pressure washer and ensure a long life.

Keep reading about why detergent matters when you pressure wash.
