WELCOME TO H2O POWER EQUIPMENT'S MONTHLY NEWSLETTER!

The importance of using premium detergents and soaps in your pressure washer

Looking to maximize the cleaning power of your pressure washer? Don't skimp on your detergents and soaps! Opting for low-quality options can actually cause more harm than good.

By choosing high-quality detergents and soaps that are specifically designed for pressure washers, you can easily get rid of dirt and grime without worrying about damaging your cleaning surfaces. Plus you'll save money on our concentrated options that make your dollars go further with every clean.

Plus, our Landa special financing offer has been extended through June 30th! Take advantage of this special offer before it ends!

Colorado's LARGEST Pressure Washer Superstore!

Serving Denver, Grand Junction/Western Slope, and Colorado Springs/Pueblo

THE BEST SOAPS & DETERGENTS

There are many factors to consider when buying a suitable soap or detergent - between water hardness, soil content, pH balance, water temperature, and water pressure. That's why we've done the heavy lifting for you. Our detergents are designed to tackle Colorado's notoriously hard water, high mineral content, and other unique variables. Count on us to deliver the perfect blend for optimal results.

UBER-WASH

Our ultimate vehicle soap! This blend has been fine-tuned for maximum satisfaction and is a customer favorite. Say goodbye to mediocre car washes and hello to a spotless, sparkling finish.

GENERAL PURPOSE CLEANER

Banish dirt and grime! This favorite all-purpose cleaner is specially formulated for safe and effective cleaning on various surfaces. Plus, it's phosphate-free for an eco-friendly clean.

LANDA FLEET DEGREASER

Our most popular detergent! Conquer those tough, petroleum-based messes. Packed with powerful degreasers, it's tough on heavy deposits of oil, grease, dirt, and even hydraulic oils and diesel smoke stains. Plus, it's phosphate free.

POWER EDGE

Our industrial customers can't get enough of this unique blend! It's perfect for cleaning cars, pickups, and trucks, plus it's tough enough to handle grease and oil stains.

DYNAMITE

Tackle stubborn grease and oil stains! Our powerful industrial-strength degreaser is perfect for tackling even the toughest grime on oil rigs, trash dumpsters, and more. Please note: This product is not safe for use on vehicles.

FLEET ALUMINUM BRIGHTENER

Revive your aluminum! This fan-favorite is excellent for restoring your metal to its former shine. Plus, it's phosphate-free!

HOOD AND VENT CLEANER

Made just for restaurant hoods and vents! This formula is designed to knock out tough grease, oils, and animal fats, leaving your kitchen spotless and sparkling clean. Plus, it's phosphate free.

CONCRETE REMOVAL

Perfect for attacking concrete splatter! Ideal for use on trucks, heavy equipment, and construction machinery, it's a must-have for anyone working in the construction industry.

TAGINATOR

The toughest industrial-grade removal product available! Easily remove multi-layered graffiti from unpainted masonry surfaces, including brick, concrete, and cinder block.

QUICK RELEASE/SPLITTER SOAPS

Perfect for vehicle wash facilities! This heavy-duty vehicle wash solution eliminates dirt, grime, grease, and road film in no time on tractor-trailers, heavy equipment, RVs, trucks, and autos. Plus, it's phosphate-free for an eco-friendly option.
