WELCOME TO H2O POWER EQUIPMENT'S MONTHLY NEWSLETTER!

The Importance of Floor Care and Pressure Washing for Your Business

As summer fades away and the leaves start showing off their beautiful autumn colors, it's time to tidy things up. But don't worry: the transition isn't just about the weather; it's a gentle nudge to keep our surroundings squeaky clean, and hazard-free.

At H2O Power Equipment, we take immense pride in our fantastic rental equipment program. We have a wide variety of top-notch, heavy-duty pressure washers and floor scrubbers that can easily tackle dirt and grime.

Colorado's LARGEST Pressure Washer Superstore!

Serving Denver, Grand Junction/Western Slope, and Colorado Springs/Pueblo

ADVANCED FLOOR MAINTENANCE SOLUTIONS

Our floor scrubbers and sweepers are here to save the day. These cleaning superheroes will give you spotless floors that no manual method can beat, all while effortlessly tackling larger spaces in record time. From lightweight options for small areas to heavy-duty machines for expansive spaces, we've got the perfect floor-cleaning equipment for every facility size and budget.

Floor Scrubbers

Use for cleaning hard surfaces such as concrete, tile, and vinyl. Much more efficient than using mops or manual scrubbing because the machines cover far more surface area in a fraction of the time.

Floor Sweepers

Use when you need to quickly and effectively remove dirt and debris from hard surfaces. Sweepers come in many sizes depending on the size of your facility – they're great for large warehouses or factory floors alike.

These machines are budget-friendly, saving you money on chemical solutions and labor. Plus, they're built to last, so you can scrub away without worrying about losing effectiveness. And if you're not quite ready to commit, no worries! Our rental fleet is here and at your service.

LANDA'S FALL FINANCING SPECIAL

Landa pressure washers are designed for years of tough, reliable performance. Their hot water models can tackle the most stubborn grease and grime, while their cold water units are perfect for more delicate cleaning tasks. With a wide variety of mobile and stationary units to choose from and electric, gas, and diesel power options, you're sure to find a Landa pressure washer that meets your specific needs.

LANDA HOT SERIES

These pressure washers clean faster and deeper than cold water units, and they are especially effective in removing grease, grime, and oil.

COLD WATER PRESSURE WASHERS

Cold water pressure washers meet the needs of many homeowners and smaller commercial properties. This type of pressure washing is excellent at removing dirt buildup.

Join other satisfied customers who've experienced the power and efficiency of Landa pressure washers. Don't miss out on this opportunity to upgrade your cleaning game with the best deals of the season!
