**WELCOME TO H2O POWER EQUIPMENT'S  
MONTHLY NEWSLETTER!**

**Year-End Savings Are Here!**

As the year comes to a close, H2O Power Equipment is here to help you get ready for winter and maximize your business savings. In this month's newsletter, we're excited to share Landa's new financing offer and our Year-End Inventory Clearance!

We'll also cover the essential steps for winterizing your pressure washer to ensure it's protected from freezing temperatures and ready to go in the spring.

Lastly, don't miss out on the opportunity to take advantage of Section 179 tax savings, which allows you to deduct the full cost of qualifying equipment purchased before the end of the year.

# Colorado's LARGEST Pressure Washer Superstore!

Serving Denver, Grand Junction/Western Slope, and Colorado Springs/Pueblo

## WHAT IS SECTION 179?

As the end of the year approaches, it's the perfect time to invest in new equipment for your business. Thanks to Section 179 of the IRS tax code, you can deduct the full purchase price of qualifying equipment purchased in 2024. Read on for our choice equipment options that could qualify for Section 179 deductions!

# MAXIMIZE YOUR YEAR-END SAVINGS WITH SECTION 179

Let us help your business boost efficiency while taking advantage of year-end tax savings:

## PRESSURE WASHERS

- **Landa HOT Series:** Simple and affordable with efficient and reliable high-pressure hot water, this series is designed for ease of operation as well as portability.
- **Landa Cold Water Pressure Washers:** Durable, high-performance models ideal for construction, agriculture, and general-purpose cleaning.

## WASTE OIL HEATERS

- **EnergyLogic Waste Oil Heaters:** Efficient, eco-friendly heating solutions for shops and garages that turn used oil into free heat, saving both on energy costs and waste disposal.

## FLOOR SWEEPERS

- **Karcher KM 70/20:** Makes cleaning surfaces effortless and virtually dust-free thanks to the filter, sweeping roller and side brush - whether indoors or outside.

## INDUSTRIAL RADIANT HEATERS

- **Sunfire Radiant Heaters:** Excellent for heating large indoor and outdoor workspaces efficiently, ensuring a warm environment for your employees during winter months.

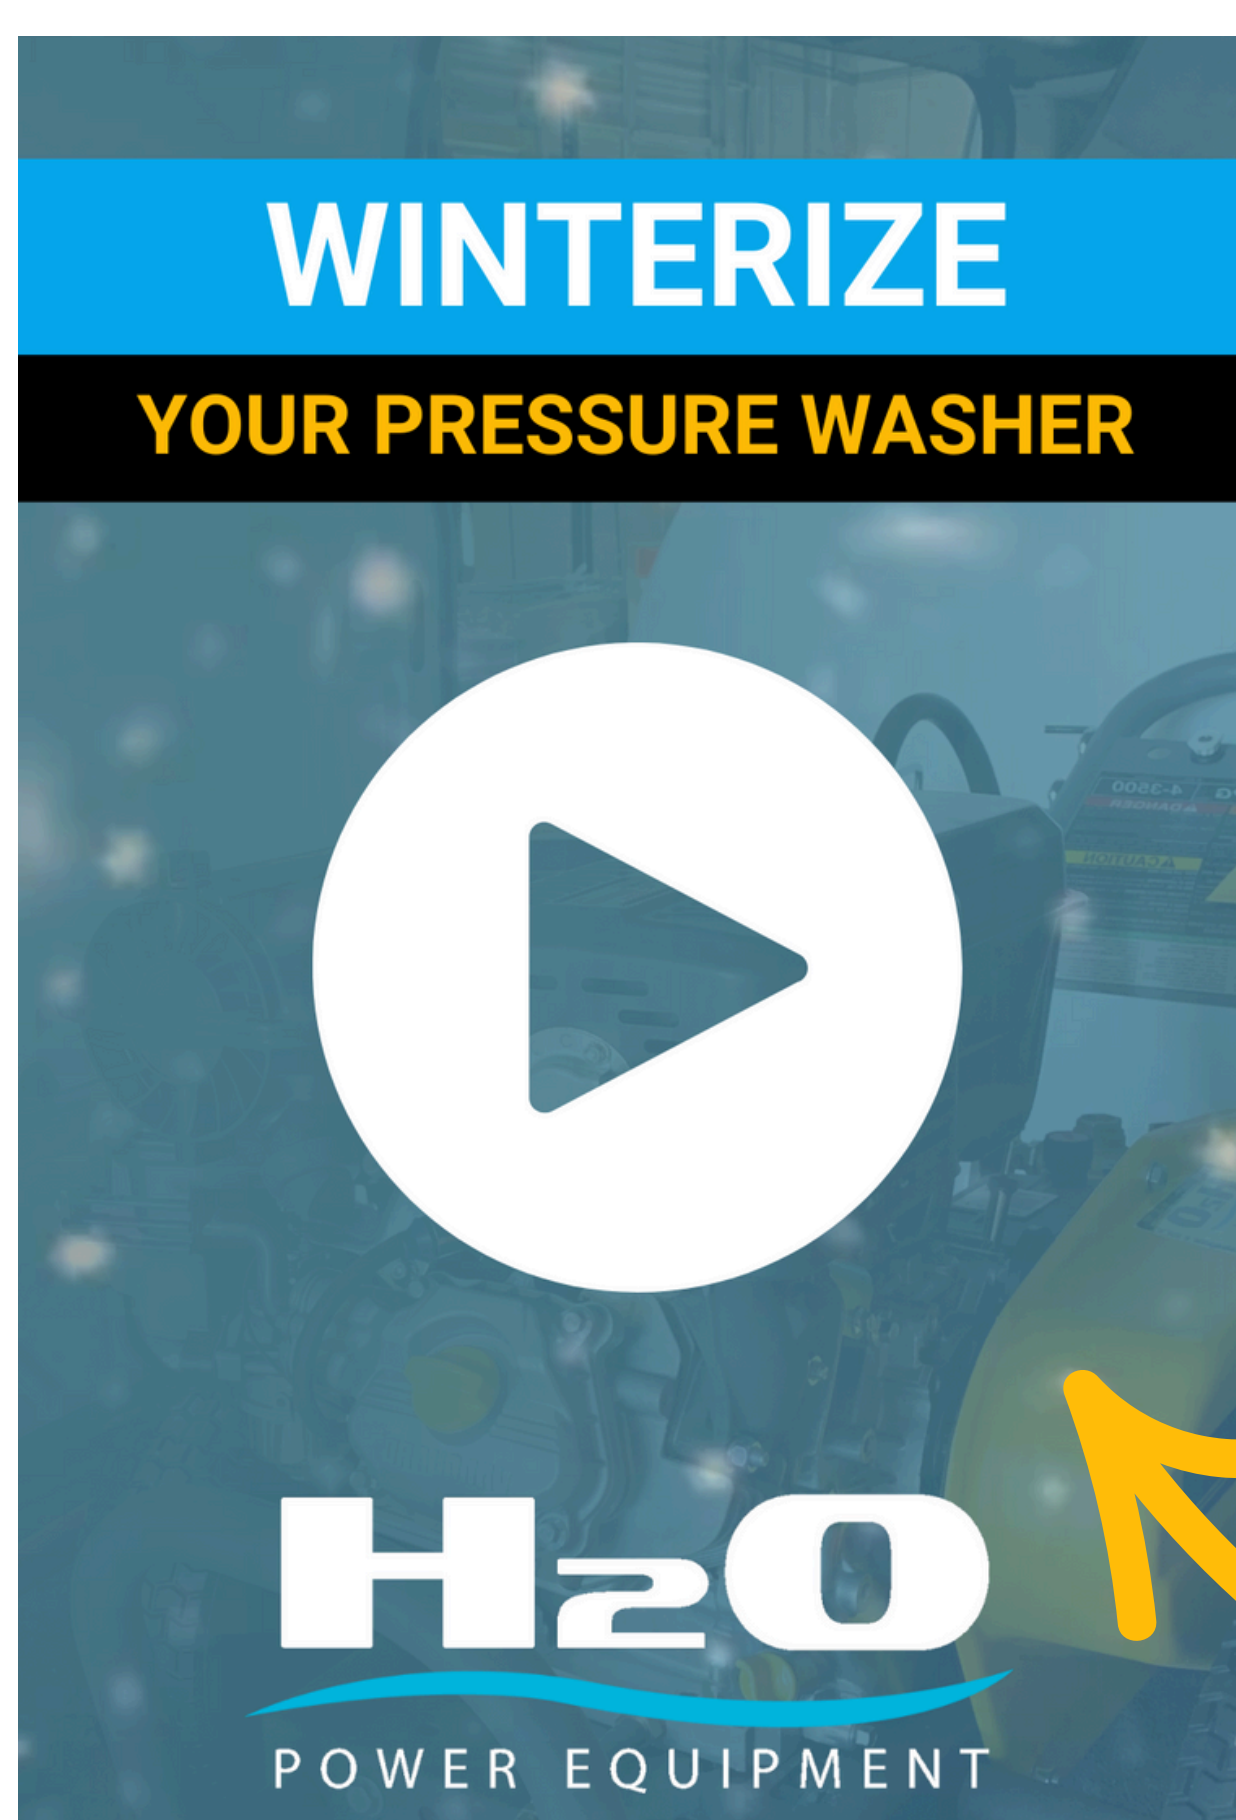

LEARN ABOUT SECTION 179

Don't miss our Year-End Inventory Clearance event! For a limited time, save up to 20% on select equipment, parts, accessories, and soaps. Stock up on high-quality supplies and upgrade your cleaning tools at unbeatable prices.

Come see us today to take advantage of this offer to boost your cleaning game and start the new year strong.

## WINTERIZING YOUR PRESSURE WASHER

Ensuring your pressure washer is properly winterized is key to protecting your equipment from harsh conditions. Cold weather can wreak havoc on your pressure washer's components, leading to costly repairs or even replacement if left unprotected. The good news is that with a few simple steps, you can safeguard your machine and avoid downtime in the spring.

***Sunfire Radiant Heaters***

## **Elevate Comfort and Efficiency with Sunfire Radiant Heaters**

Keeping your business warm and comfortable becomes essential for both employees and customers in the winter. At H2O Power Equipment, we proudly offer Sunfire Radiant Heaters—the ideal heating solution for businesses and shops. Unlike traditional heaters, these radiant heaters provide efficient, even warmth by heating objects and people directly, ensuring no energy is wasted. With their durable construction and reliable performance, Sunfire heaters are perfect for a variety of industries, from workshops and warehouses to retail spaces.

As we near the end of the year, now is the perfect time to consider upgrading your heating system and potentially taking advantage of tax benefits like Section 179, which allows businesses to deduct the full purchase price of qualifying equipment. Reach out to us at H2O Power Equipment to learn more!
